2019

SPOC Registration, Verifying Teams

SPOC Registration Process

Institute Single Point of Contact (SPOC)

You are required to include AISHE / AICTE Code while registering, which would be provided by your Administration or Principal / Director

Institute Single Point of Contact (SPOC) – Contd.

- Once Steps 1 to 6 are complete, SIH Admin will approve SPOCs.
- Notification of same will be received by SPOC
- SPOC will authenticate respective college student teams
- Once the team is verified, they can submit their ideas against the problem statements.
- Once ideas are submitted, SPOCs are expected to review and approve/ disapprove to move further in the competition

2019

Student Team Registrations, Idea Submission

How to Form a Student Team?

- **6 students** per team is MANDATORY
- ***At least 1 FEMALE team member is mandatory!***
- All team members should be from same college but can be from different engineering backgrounds.
- **No faculty members in teams**
- Most of the members **MUST** be well versed in programming skills

No restriction on number of teams from each college

No restriction on idea submissions against different problem statements by each team

Colleges must issue an Authority letter to each team!

- Colleges MUST issue one College Authority Letter in the prescribed format for every team. The authority letter format can be downloaded from the top left hand side of team registration page
- The letter must be issued on college letterhead only, must contain all required team details, and must be duly signed by college principal/ dean/ institute director and bear the college seal
- The team name should be unique and MUST NOT contain the name of institute
- A team can make multiple idea submissions for different problem statements under the same team name
- **Team members CANNOT be associated with multiple teams in parallel!**

Team Registration

*Note: Team registration must be made by **Team Leader only!!***

SMART INDIA
HACKATHON
2019

➤ Visit www.sih.gov.in and click on **REGISTER** button on top right side.

The screenshot shows the homepage of the Smart India Hackathon 2019 website. At the top, there is a yellow navigation bar with the text "SPOC and Student Registrat". Below this is a white header containing the SIH logo, navigation menus for "EVENTS", "MEDIA", "IMPORTANT RESOURCES", "SUPPORT", and "SIH 2019 PROBLEM STATEMENTS", and links for "GRIEVANCE", "LOG IN", and "REGISTER". The main content area features a large banner with the text "Smart India Hackathon is a non-stop digital product development competition." and "#SmartIndiaHackathon World's Biggest Open Innovation Model". A portrait of Dr. Anil Sahasrabudhe, Chairman of AICTE, is shown on the right. The AICTE logo is also present. On the left, there is a section for "Up Coming Event SIH 2019". At the bottom, there is a blue navigation bar with links for "Important", "Winners - SIH 2018 Hardware", "Smart India Hackathon 2019", and "Smart India Hackathon 2017 Outcome". The Windows taskbar is visible at the very bottom, showing the time as 12:17 on 04-12-2018.

➤ Select radio button of **Student Team Leader**

Registrations for College SPOCS and Student teams; Idea Submiss

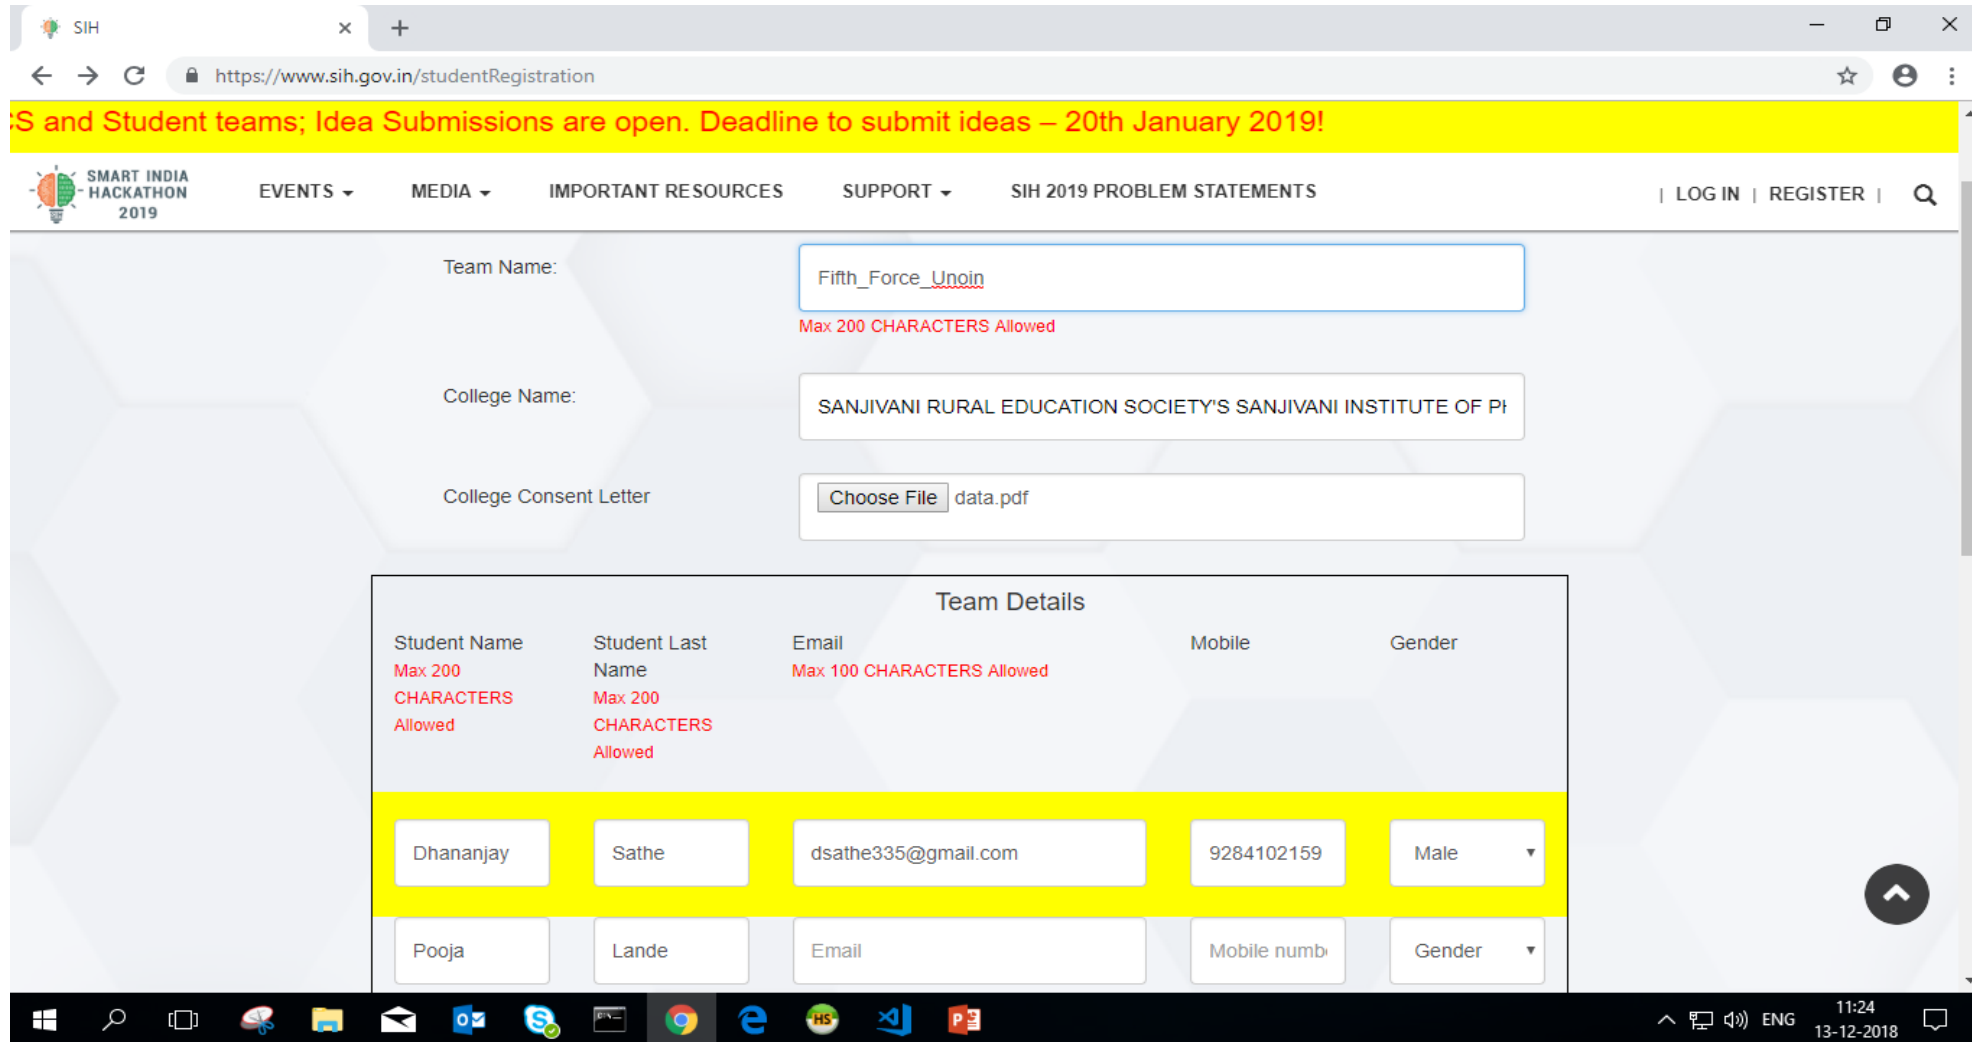

Select Registration Type

- Problem Statement Creator
- College Faculty SPOC
- Student Team Leader

Close

- Fill all the required fields and upload your College Authority Letter in PDF format
- Team name should be unique and system wont accept names already in the database

The screenshot shows the student registration page for the Smart India Hackathon 2019. The page has a yellow banner at the top with the text: "S and Student teams; Idea Submissions are open. Deadline to submit ideas – 20th January 2019!". Below the banner is a navigation menu with links for EVENTS, MEDIA, IMPORTANT RESOURCES, SUPPORT, and SIH 2019 PROBLEM STATEMENTS. There are also links for LOG IN and REGISTER. The main form contains the following fields:

- Team Name: (Max 200 CHARACTERS Allowed)
- College Name:
- College Consent Letter: data.pdf

Below the main form is a section titled "Team Details" with a table of student information:

Student Name	Student Last Name	Email	Mobile	Gender
<input type="text" value="Dhananjay"/>	<input type="text" value="Sathe"/>	<input type="text" value="dsathe335@gmail.com"/>	<input type="text" value="9284102159"/>	<input type="text" value="Male"/>
<input type="text" value="Pooja"/>	<input type="text" value="Lande"/>	<input type="text" value="Email"/>	<input type="text" value="Mobile numb"/>	<input type="text" value="Gender"/>

The first row of the table is highlighted in yellow. The system also displays character limits for each field: Max 200 CHARACTERS Allowed for Student Name, Max 200 CHARACTERS Allowed for Student Last Name, and Max 100 CHARACTERS Allowed for Email.

➤ Insert required fields and click on REGISTER

Mon to Fri-10.00 AM to 6:00 PM

© 2019 Smart India Hackathon. All rights reserved

- Team Leader can just login on the portal once verifications are successfully completed
- Your team registration will now go to your College SPOC for authentication. Note: **Teams cannot make idea submissions until their College SPOC authenticates their registration**
- Teams will receive notification once SPOC completes authentication process. Notification will be sent via email as well as SMS to the Team Leader
- You are now ready to make an idea submission

Idea Submission by Student Teams

Note: Idea submission must be made by the Team Leader only!!

- Submission dates should be strictly followed. No exceptions will be made.
- Jan 20, 2019 is the last date for idea submission including SPOC approval
- Team leaders must login on www.sih.gov.in, select the problem statement of their preference and submit ideas against the same
- Now fill out your Idea title and description in the dedicated boxes
- Upload your Idea PPT in prescribed 3 slide format. **Don't forget to convert the PPT into PDF format before you upload it.** This is how the PPT should look...

Idea/Approach Details

Ministry/ Organization name:

Problem Statement :

Team Name :

Team Leader Name :

College Code :

Idea / Approach details

Describe your idea / Solution / Prototype here

Describe your Technology stack here

Idea / Approach details

Describe your Use Cases here

Describe your Dependencies / Show stopper here
(crucial data or software or hardware, without which you cannot create the final model/ product)

After you submit ideas

- Once submitted, team's idea submissions goes to College SPOCs for verification
- The SPOC is expected to verify that the submission is in the expected format and inline with expectations set in the problem statement
- Please note, the idea submissions are visible to SIH team for evaluations only when SPOC verifies and approves them!

Selection Criteria

- Evaluation criteria will include **novelty** of the idea, **complexity, clarity** and details in the prescribed format, **feasibility**, practicability, **sustainability, scale of impact, user experience** and **potential for future work** progression.
- While selecting between 2 similar ideas, preference will be given to the team with maximum girl members

Announcement of Shortlisted Teams

- Keep a track of all announcements and updates on www.sih.gov.in as well as the **SIH mobile app**
- ... and your email boxes / mobile SMSs

IP and Post Hackathon

- Intellectual property (IP) of the idea would be shared equally between the team members and the collaborating company/ union ministry proposing the problem statement.
- Selected ideas may be further developed so that they can be productized depending on the decision taken by the collaborating company/ ministry on this matter; more efforts beyond the finale will be required from the selected teams.

Swayam Training Schedule

SMART INDIA
HACKATHON
2019

Inviting all technology students to
join online trainings on

Designing Digital Solution

- 45+ hours of Training Programs
- Best Industry Experts/ Coaches
- Certificate on successful completion of trainings
- Eligibility: Technology students from all institutions

To join trainings:

www.swayam.gov.in
www.mic.gov.in

Trainings start from
Jan 14, 2019

Trainings end on
Feb 7, 2019

Swayam Training Schedule
